Hold the Line

He knew the corporate game - Hold the Line
He was downsized just the same - Hold the Line
Now this worker has discovered, Union sisters, union
brothers. And they're helping one another - Hold the Line

CHORUS

Your cup 'o joe, tastes fine – Hold the Line
But baristas feel the grind – Hold the Line
How the mermaid would beguile, with her mesmerizing
smile
But a thousand workers filed to Hold the Line

CHORUS

For the children in the field - Hold the Line
In the sweat shops where they kneel - Hold the Line
And remember when you do, they will rise up strong and
true. And they'll do the same for you - Hold the Line

CHORUS
