

Are You Okay?

Instrumental line

Am

Are you okay?

Am

I see the pain around your eyes

Am

Are you okay?

Is there a weariness inside?

Am

You've been giving and giving in every way

E

Giving and giving every single day

Are you okay?

A mask can't hide the fear inside

Are you okay?

Quick tears reveal the way you feel

We've been hiding our faces, avoiding embraces

Now my words must reveal, the care that I feel
and so I say

Are you okay?

Interlude: Verse and chorus

Are you okay?

I see the pain around your eyes

Are you okay?

Is there a weariness inside?

Are you Okay?
