'til our courage saves the world

We will flow like a river 3x

'til our passion saves the world

We will roar like a lion 3x

'til our voices save the world

We will soar like an eagle 3x

'til our beauty saves the world

We will walk with our sisters

We will walk with our brothers

We will walk with each other

Til our loving saves the world

'Til our beauty saves the world

On the afternoon of February 14, 2018, at Marjory Stoneman Douglas High School in **Parkland**, Florida, a shooter entered the school. When it was over 17 students and staff were dead, and 17 injured. What happened next inspired the world. Students such as Emma Gonzalez and David Hogg began organizing. On March 24th, the March for Our Lives was held, led by students around the country, advocating common sense gun control. This song is for them.
