Mama loves me big, loves me so big

Mama's got a boy friend, Boyfriend's name is Ken Ken

Treats her very nice, pizza by the slice

She sings a song to him, takes me to the gym

Loves me more than him, loves me more than him

Mama's got a nose ring, mama loves to sing, sing

Dresses all in black, Guitar on her back

Takes me to the fair, Wheel up in the air

Loves me like a circus, loves me like a circus    BREAK

Mama's got a tattoo, right above her left shoe

Hearts and bows and rhymes, shimmers and it shines

Says," Love is still the answer, love my Rainbow Dancer"

Loves me like a rainbow, Tells me I'm her rainbow

Mama's got a tattoo. Right above her left shoe

Mama's got a tattoo

My imagination was stirred watching a young, tattooed woman walking down the street with what I thought was a small daughter in hand.
