

Hard To Leave This Sweet Life

©2001 Linda Allen

One day when I shall die, love Am G Am
Hard to leave this sweet life! C E
Give my body to the fire Am G AM
Spirit, take me home C E
I'll rise and fly above you Am G AM
Hard to leave this sweet life C E
Leave the ashes on the pyre Am G Am
Spirit, take me home C E

A handful of these ashes
Hard to leave this sweet life
Please toss upon the waves
Spirit, take me home
To rock upon the ocean
Hard to leave this sweet life
And surround you all your days (?)
Spirit, take me home

A handful of these ashes
Hard to leave this sweet life
Take to a mountain high
Spirit, take me home
I'll rest beneath a pine tree
Hard to leave this sweet life
With my face up to the sky
Spirit, take me home

INSTRUMENTAL

A handful of these ashes
Hard to leave this sweet life
Shall lie among your bones
Spirit, take me home
Sweet shall be the singing
Hard to leave this sweet life
We will never be alone
Spirit, take me home

Remember me by water
Hard to leave this sweet life
Remember me by flame
Spirit, take me home
Remember me by singing
Hard to leave this sweet life
Our love will remain
INSTRUMENTAL VERSE TO END
